

# BELTER

## 2025/26

Parentage: Cosmopolitan x Laureate

Breeder code: SC70555X

Status 25: UK RL P2

CZ2, SK2, IE2, DK test

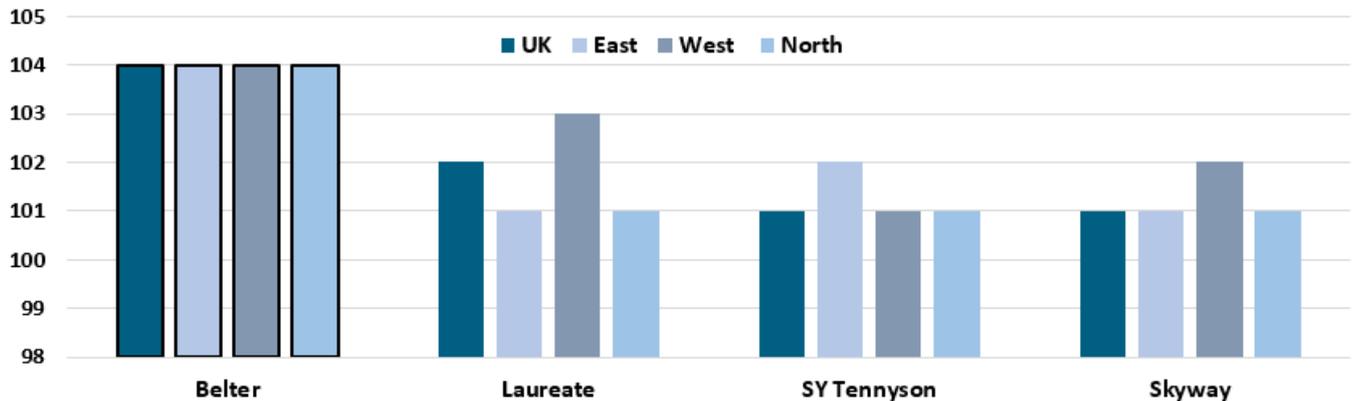

### Spring Barley - Dual Use - Conventional 2 Row - non GN

Over the last 4 years **Belter** has performed reliably both in the field and in the lab. With consistently high yields across all regions, **Belter** has proved itself to be a highly adaptable variety. With stiff straw, a high specific weight and outstanding quality, Belter offers growers and end users a step up in yield and performance. In Secobra's testing over the last 3 years, **Belter** has shown itself to be more widely adapted than Laureate.

Why not try some this year ? ..... It's a Belter.
