Cut Master

High performance 2 or 3 year cutting mix with aftermath grazing

35%	Lofa  <small>Festulolium by DLF</small>	Festulolium
15%	AberEve (T)	Hybrid Ryegrass
10%	Boyne	Intermediate Perennial PRG
10%	Seagoe (T)	Inter PRG (T)
10%	Diwan (T) 	Inter PRG (T)
15%	Evocative	Late PRG
5%	Cutting Blend	White Clover
100%		13 – 15 kg/acre

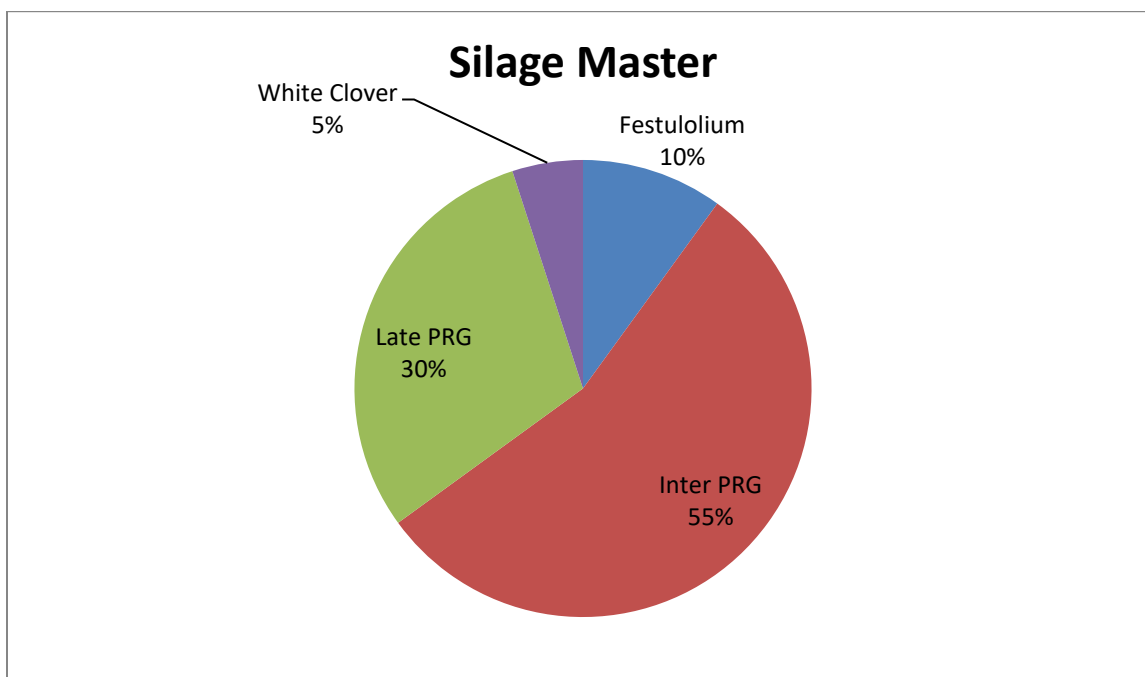

35%  LOFA

Silage Master

Intensive cutting mixture for up to 6 years

10%	Lofa 	Festulolium
10%	Boyne	Intermediate PRG
10%	AberWolf	Intermediate PRG
20%	Diwan (T) 	Inter PRG (T)
15%	Seagoe (T)	Inter PRG (T)
10%	Evocative	Late PRG
10%	Glenroyal	Late PRG
10%	AberGain (T)	Late PRG (T)
5%	Cutting Blend	White Clover
100%		13 – 15 kg/acre

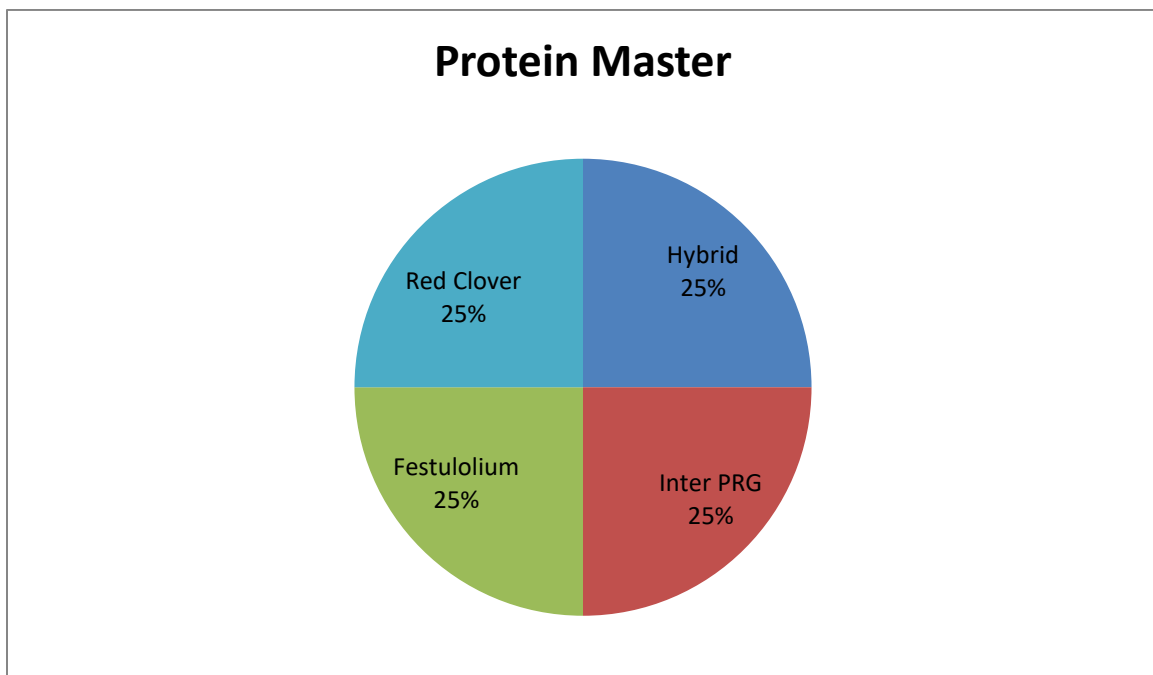

The silage mixture for high quality, massive yields
2 or 3 cuts per year

Protein Master

A Red Clover mixture for 2 to 3 years of silage

25%	Lofa 	Festulolium
15%	AberEve (T)	Hybrid Ryegrass
10%	Aston Crusader (T)	Hybrid Ryegrass
25%	Diwan (T) 	Inter PRG (T)
25%	Red Clover Blend	Red Clover
100%		13 – 15 kg/acre

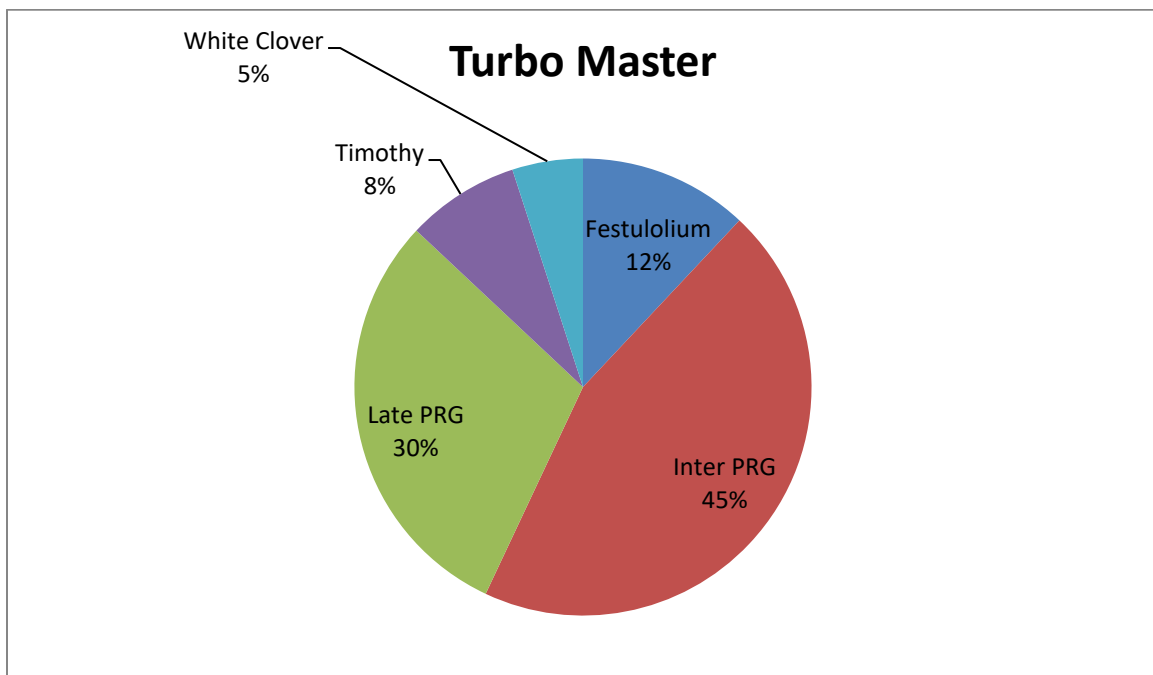

Will give 2 to 4 cuts per year of high protein silage
 Fantastic aftermath grazing for finishing stock

Turbo Master

A dual purpose mixture for up to 6 years of high production

12%	Lofa 	Festulolium
16%	Boyne	Intermediate PRG
15%	AberWolf	Inter PRG
14%	Diwan (T) 	Inter PRG (T)
15%	Evocative	Late PRG
15%	AberGain (T)	Late PRG (T)
8%	Comer	Timothy
5%	Dual Purpose Blend	White Clover
100%		13 – 15 kg/acre

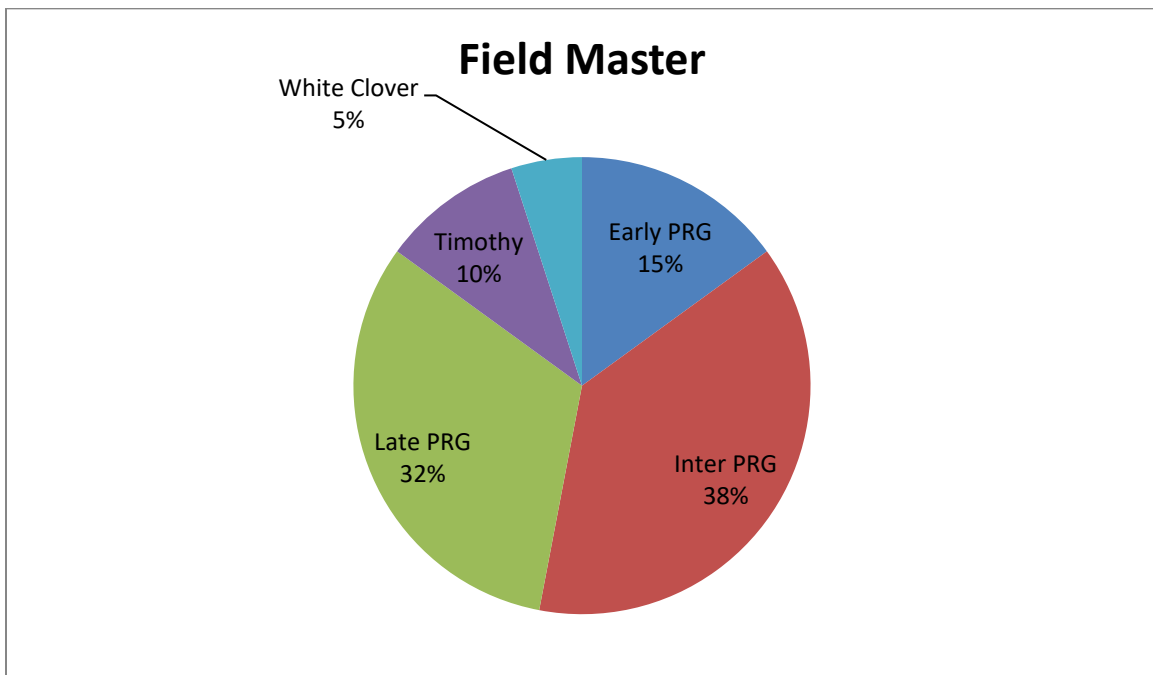

Contains Timothy for wet, cold Scottish conditions

Field Master

A dual purpose mixture with early bite for lambs

15%	Genesis	Early Perennial PRG
10%	Boyne	Inter PRG
10%	AberWolf	Inter PRG
18%	Diwan (T) 	Inter PRG (T)
12%	Evocative	Late PRG
10%	Glenroyal	Late PRG
10%	AberGain (T)	Late PRG (T)
10%	Comer	Timothy
5%	Dual Purpose Blend	White Clover
100%		13 – 15 kg/acre

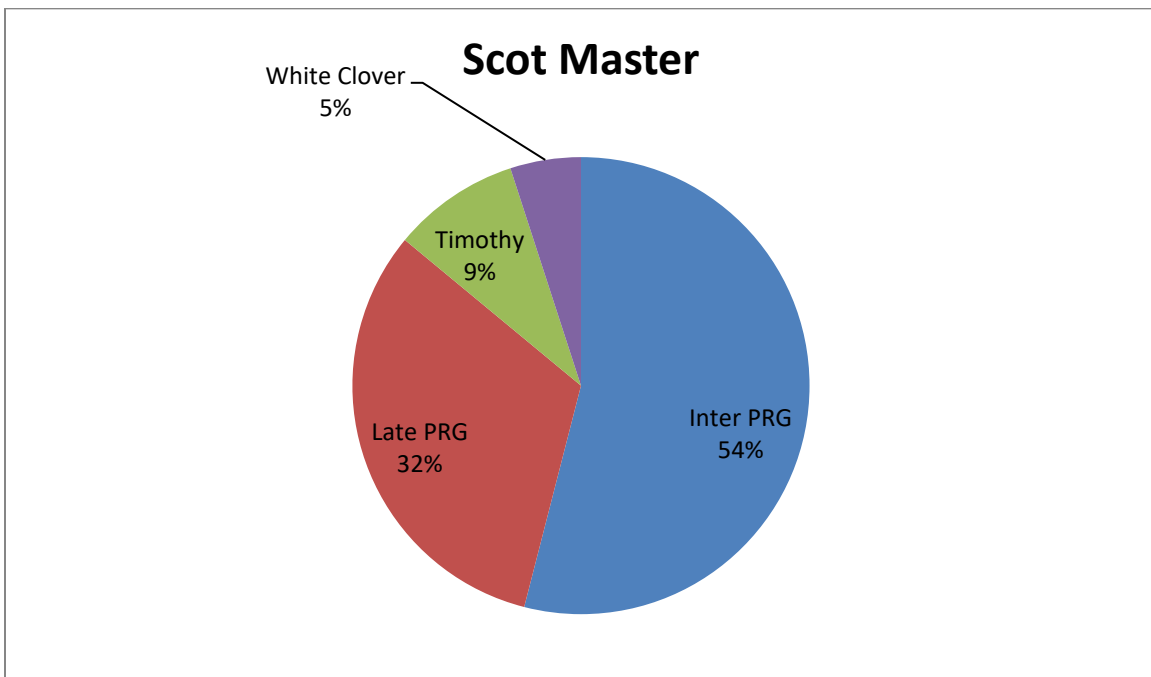

Early PRG and extra Timothy for early sheep and then hay or silage
 55% Diploid Ryegrasses for Hay production

Scot Master

Dual purpose, high performance mixture for 3 to 7 years

16%	Boyne	Intermediate PRG
12%	AberWolf	Inter PRG
12%	Seagoe (T)	Inter PRG (T)
14%	Diwan (T) 	Inter PRG (T)
10%	Evocative	Late PRG
11%	Glenroyal	Late PRG
11%	AberGain (T)	Late PRG (T)
9%	Comer	Timothy
5%	Dual Purpose Blend	White Clover
100%		13 – 16 kg/acre

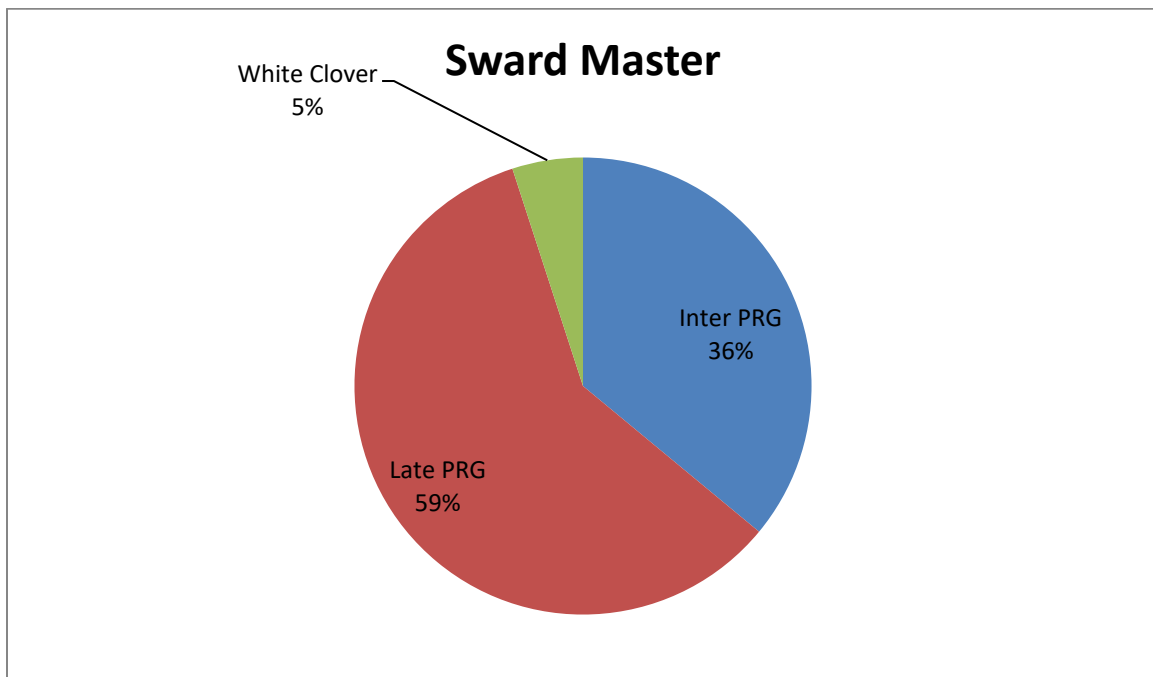

The Top Selling Mixture

Sward Master

Intensive grazing mixture for up to 9 years use

12%	AberWolf	Inter PRG
12%	Nifty 	Inter PRG
12%	Diwan (T) 	Inter PRG (T)
15%	Smile	Late PRG
12%	Glenroyal	Late PRG
12%	Aberavon	Late PRG
20%	AberGain (T)	Late PRG
5%	Grazing Blend	White Clover
100%		13 – 16 kg/acre

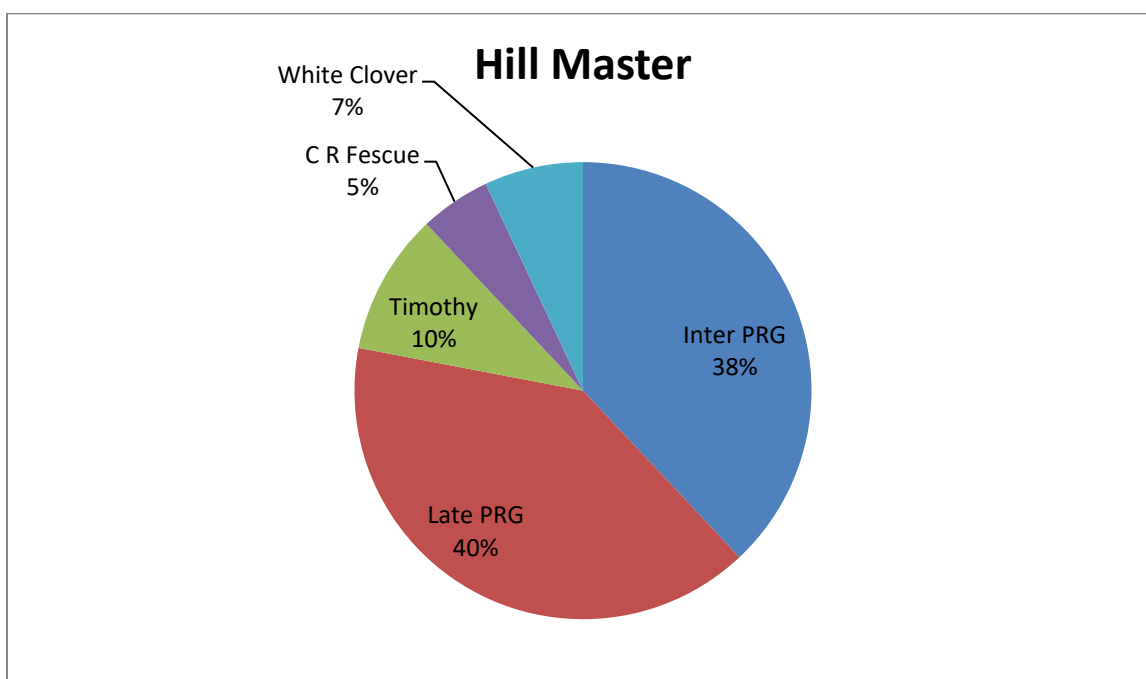

Very leafy, late heading, dense grazing mixture for a full season
No Timothy

Hill Master

Winter hardy extensive grazing/ permanent mixture

10%	Boyne	Inter PRG
13%	AberWolf	Inter PRG
15%	Diwan (T) 	Inter PRG (T)
10%	Evocative	Late PRG
10%	AberAvon	Late PRG
20%	AberGain (T)	Late PRG (T)
10%	Comer	Timothy
5%	Maxima	Creeping Red Fescue
7%	Grazing Blend	White Clover
100%		14 – 17 kg/acre

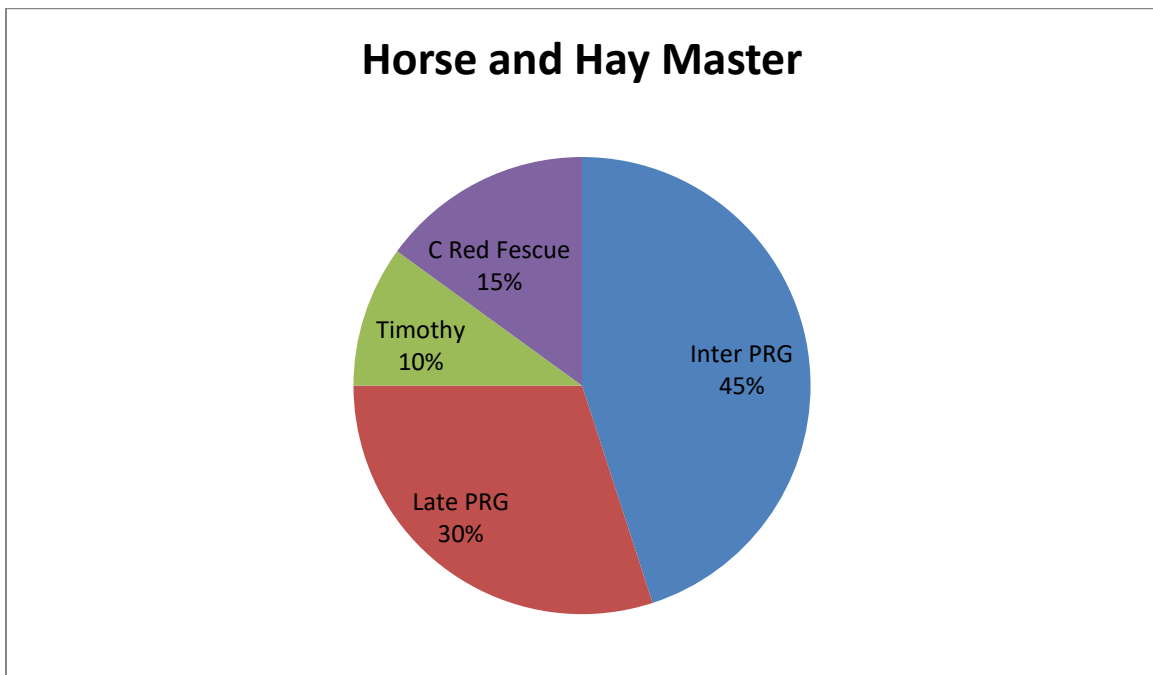

The mixture for long term or permanent grazing swards
